

Final analysis and conclusion

From considered neighborhoods North Greenwich is the ideal location to open a vegetarian restaurant.

Reasoning:

- North Greenwich is home to the O2 Arena, which is a large music venue regularly hosting large concerts, sports events and shows providing regular high footfall to the area.
- The O2 Arena contains a lot of restaurants, but only one vegetarian restaurant.
- It is located close to canary wharf where a large number of people work.
- It has easy transport links to the center of London (tube, bus and Thames clipper) and 10 mins away from Stratford Shopping center (one of the largest shopping centers in the UK).
